

Google AdSense Setup Guide

Step 1: Create an AdSense Account

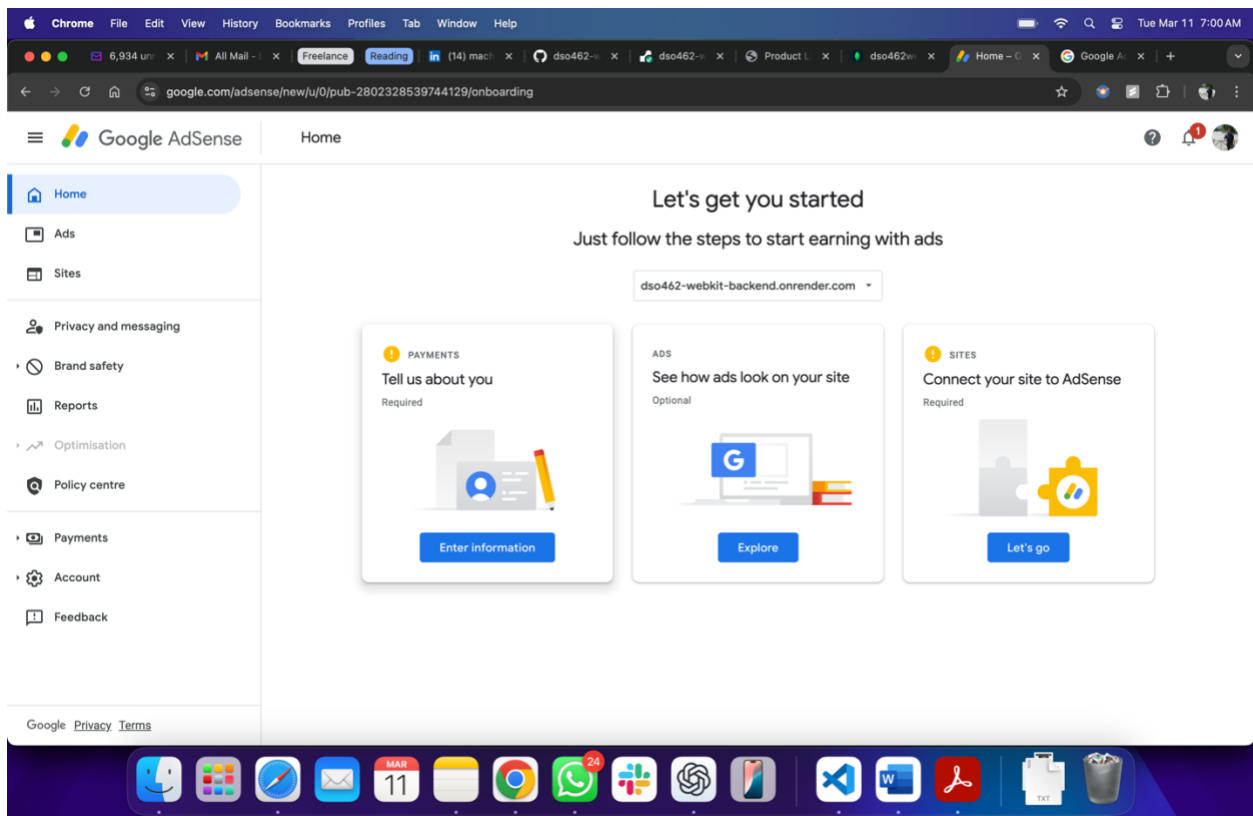

1. Visit [Google AdSense](https://adsense.google.com).
2. Sign in with your Google account and provide the necessary details.
3. Select your payment country and accept the terms and conditions.

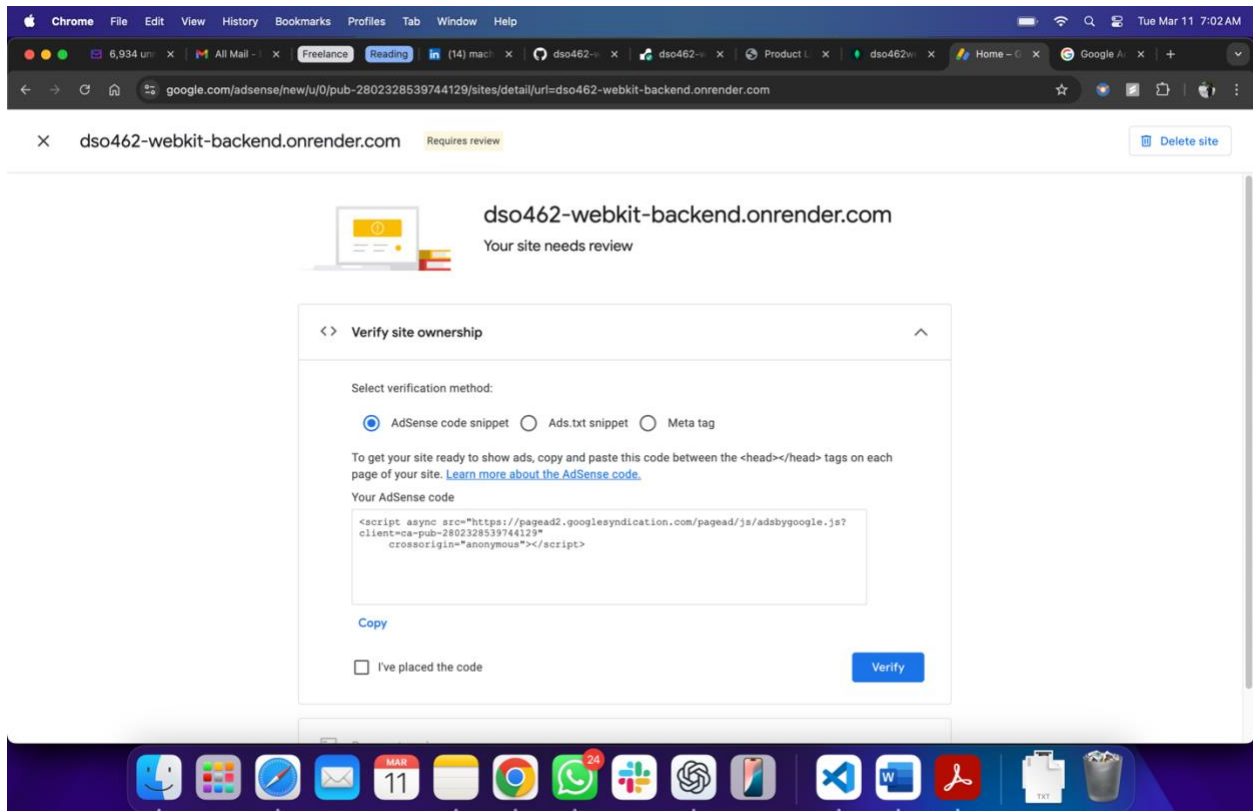

The screenshot shows the Google AdSense 'Let's get you started' page in a Chrome browser. The page has a white background with a light gray border. At the top, the Google AdSense logo is on the left, and a help icon and user profile icon are on the right. The main heading is 'Let's get you started'. Below this, there are four sections: 1. 'Your site' with a text input field containing 'https://dso462-webkit-backend.onrender.com' and a checkbox labeled 'I don't have a site yet'. 2. 'Get more out of AdSense' with two radio buttons; the first is selected and labeled 'Yes, send me customised help and performance suggestions', and the second is labeled 'No, I don't want customised help and performance suggestions'. 3. 'Your payment country/territory' with a dropdown menu showing 'United States'. Below this is a blue-bordered box with an information icon and text: 'You need to select the country/territory where you currently live so that we can verify your identity and ensure that you get paid. You can't change this later. [Learn more about account verification.](#)'. 4. 'Our terms and conditions' with a small text block starting with 'Account. If you (including those under your direction or control) create multiple Accounts, you will not be entitled to further payment from Google, and your Accounts will be subject to termination, pursuant to the...'. The browser's address bar shows the URL 'adsense.google.com/adsense/signup/create?referer=https://www.google.com/adsense/login?subid%3Din-en-dr-dr-sa-a-dr&sac=true&pli=1&authuser=0'. The macOS dock is visible at the bottom with various app icons.

Step 2: Set Up Payment Information

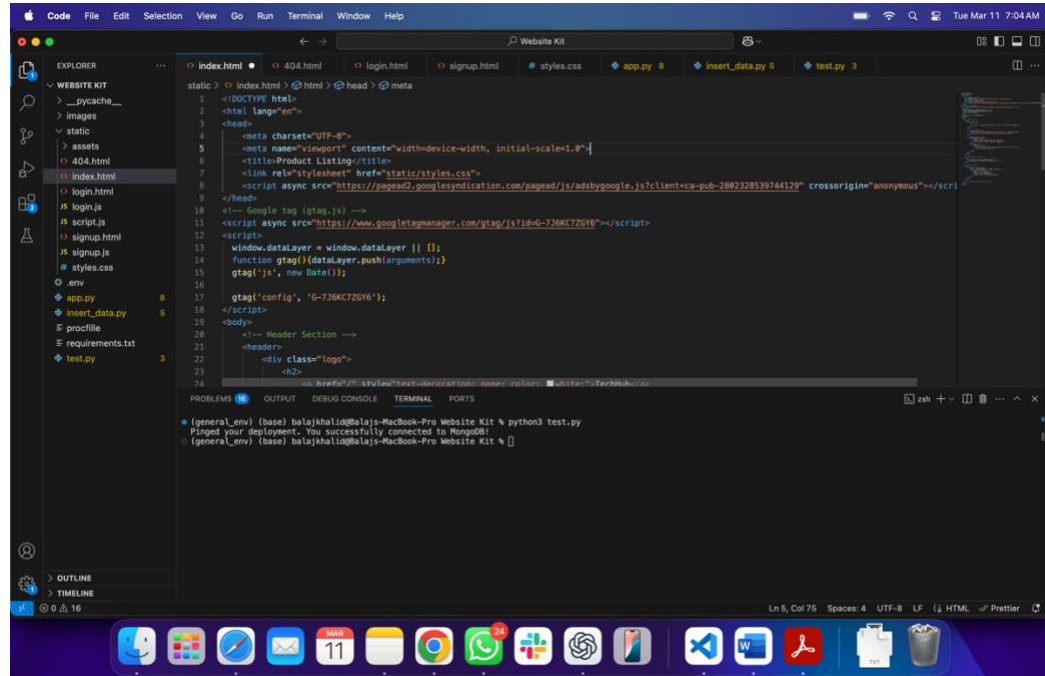

- On the payment page, enter your address and phone number accurately.

Step 3: Connect Your Website to AdSense

1. Navigate to the “Sites” section in AdSense and add your website.
2. To verify ownership, copy the AdSense code snippet.
 - a. If your site is coded (HTML, JavaScript, etc.), paste the code into your <head> section.

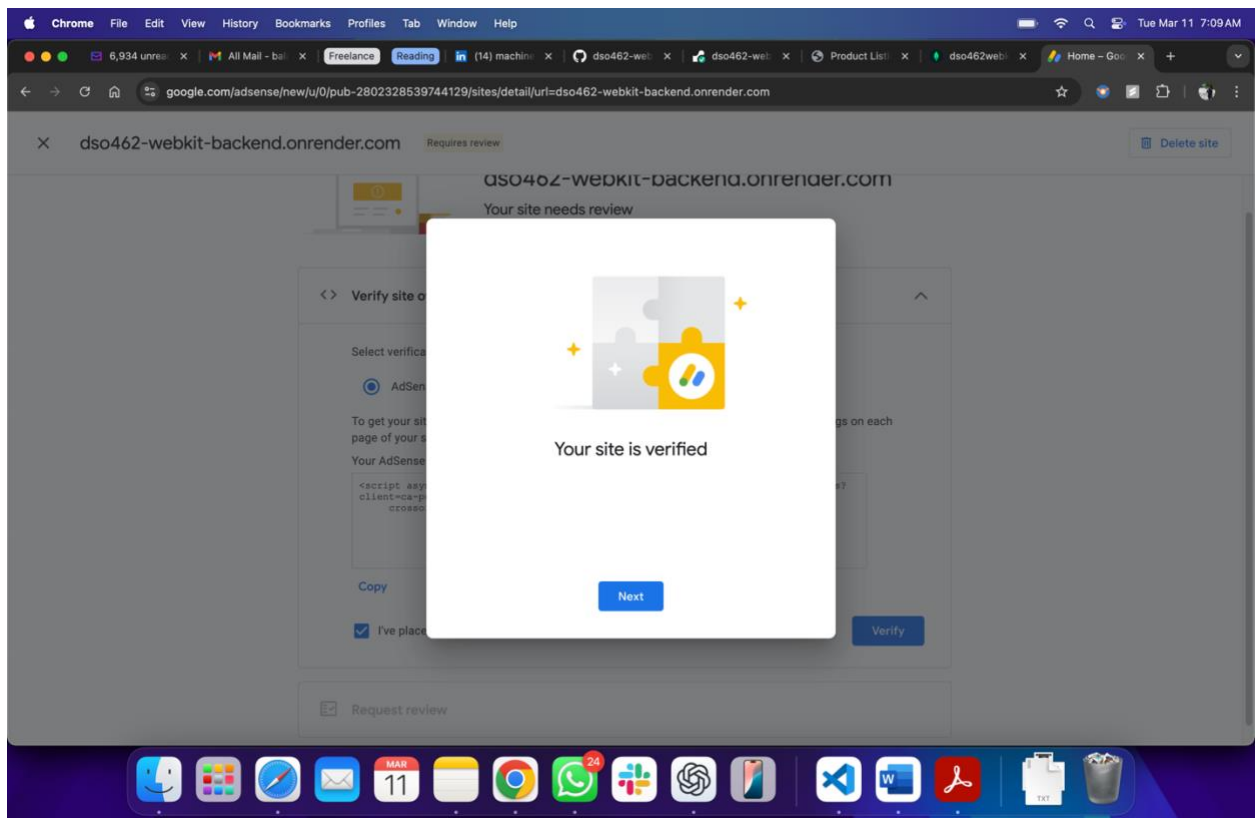

The screenshot shows a code editor with a file explorer on the left and a code editor on the right. The file explorer shows a project named 'Website Kit' with files like 'index.html', '404.html', 'login.html', 'signup.html', 'styles.css', 'app.py', 'insert_data.py', and 'test.py'. The code editor shows the content of 'index.html' with the following code:

```
static > index.html > @html > @head > @meta
1 <!DOCTYPE html>
2 <html lang="en">
3 <head>
4   <meta charset="UTF-8">
5   <meta name="viewport" content="width=device-width, initial-scale=1.0">
6   <title>Product Listing</title>
7   <link rel="stylesheet" href="static/styles.css">
8   <script async src="https://pagead2.googlesyndication.com/pagead/js/adsbygoogle.js?client=ca-pub-2887328339744129" crossorigin="anonymous"></script>
9 </head>
10 <!-- Google tag (gtag.js) -->
11 <script async src="https://www.googletagmanager.com/gtag/js?id=G-736K720Y6"></script>
12 <script>
13   window.dataLayer = window.dataLayer || [];
14   function gtag(){dataLayer.push(arguments);}
15   gtag('js', new Date());
16
17   gtag('config', 'G-736K720Y6');
18 </script>
19 <body>
20   <!-- Header Section -->
21   <header>
22     <div class="logo">
23       <h2>
```

The terminal at the bottom shows the command 'python3 test.py' being executed, and the output 'Plugged your deployment. You successfully connected to MongoDB'.

- b. If your site is hosted on platforms like Wix, use the provided meta tag option.
3. Push the changes to your GitHub page and redeploy your website.
 4. Verify your website.

Step 4: Submit website for review

1. Submit your website for review—this process may take anywhere from a few days to 2–4 weeks.
2. Set up a Consent Management Platform (CMP) message to comply with various regulations and maximize your revenue potential.

You'll receive an email notification once your account is approved.
